PIATTO DOCCIA / SHOWER TRAY

Installazione filopavimento o in appoggio a pavimento
Totally built in or floor-mounted installation

Antibatterico - Antiscivolo
Antibacterial - Anti Slip

Piatto doccia composto di miscele poliuretaniche e cariche minerali, adatto anche al taglio sul posto in finitura tutta massa. Superficie non porosa, effetto ardesia o pietra (in base alle dimensioni), facile da pulire e riparare con gli appositi kit disponibili. Idro ed oleo repellente, trattato per il massimo livello d'igiene.

Shower tray made of polyurethane mixtures and mineral fillers, also suitable for on-site cutting in full-body finish. Non-porous surface, slate or stone effect (depending on size), easy to clean and repair with available repair kits. Hydro- and oil-repellent, treated for the highest level of hygiene.
